VACUUM EXCAVATORS

ACE IN THE HOLE

©2013 Vactor Manufacturing

No Hydro-Excavator keeps you moving like a Vactor HXX.

Your job has enough challenges without having to second guess your equipment. Keep your competitive edge and go all in with the machine you know you can count on, no matter what you're up against. Each Vactor HXX is bred for abuse and backed by 24/7 responsiveness to ensure your equipment won't quit when things get tough -- and doesn't stop until the job's done. Whether hydroexcavating or cleaning up drilling mud, think of the Vactor HXX as your ace in the hole.
