

## Performance Upgrades and Equipment Options

The industry leading Vactor HXX HydroExcavator<sup>®</sup>, is a powerful machine that safely tackles major excavation while also managing smaller jobs with precision. Selecting the right nozzles and lances, as well as other performance enhancing upgrades significantly improves the end results. Vactor Manufacturing provides a wide selection of performance matched parts, built to our specification to deliver the highest quality, reliability and performance. Competitively priced and readily available, these genuine OEM parts are a phone call away. Visit [www.vactor.com](http://www.vactor.com) for a representative near you.

# EQUIPMENT AND PERFORMANCE OPTIONS

## Nozzles

Part #	Description
508544	HXXpose™ Rotator #3
508545	HXXpose™ Rotator #4
508546	HXXpose™ Rotator #5
508547	HXXpose™ Rotator #6
508548	HXXpose™ Rotator #8
508549	HXXpose™ Rotator #10
508550	HXXpose™ Rotator #12
508424	Turbo Rotator #7
508424A	Turbo Rotator #5.5
508424B	Turbo Rotator #8
89714J	Single jet 3 gpm
89714K	Single jet 5 gpm
89714M	Single jet 8 gpm
89714L	Triple jet 7gpm
89714P	Triple jet 9 gpm
89714N	Triple jet 16 gpm

## Lances

Part #	Description
500619V	10 gpm, Single Station
500619W	20 gpm, Single Station
500619X	20 gpm, Dual Station
500619R	No Nozzles

## Quick Connect

Part #	Description
20188M	1/2" Male
20188L	1/2" Female

## Handguns

Part #	Description
500619F	Trigger Gun w/ 1/2" Quick Disconnect

## Spray Guns

Part #	Description
45109	Adjustable Spray Gun 25 gpm 1200 psi
508656	Adjustable Spray Gun 25 gpm 3000 psi

## Dig Tubes

Part #	Description
34766F	6" HXX Dig Tube
25268Y	8" HXX Dig Tube

## Pipe

Part #	Description
505133L	6" Vacuum Pipe Kit
505133M	8" Vacuum Pipe Kit

## Handlights

Part #	Description
46494B	Waypoint Handlight
46494C	Knucklehead Cordless Handlight
